u1958256@campus.udg.edu

<https://www.linkedin.com/in/zakia-khatun/>

Sex Female

Date of birth 02/02/1996

Nationality Bangladeshi

EDUCATION

10/09/2018 - 11/09/2020

ERASMUS+ Joint Master Program in 'Medical Imaging and Applications'

EQF
Level 7

University of Burgundy (France), University of Cassino & Southern Lazio (Italy) & University of Girona (Spain).

• Fully funded by the **European Union**.

• Earned 120 ECTS.

• Thesis Title: Survival Time Prediction of Metastatic Melanoma Patients by Computed Tomography using Convolutional Neural Networks.

• CGPA: 7.59 on a scale of 10.

10/05/2014 - 03/02/2018

Bachelor of Science in Electrical & Electronic Engineering

EQF
Level 6

American International University-Bangladesh (AIUB), Bangladesh

• Earned 145 Credits, Major in 'Biomedical Instrumentation Measurement and Design'.

• Undergraduate Project Title: Gesture Controlled Pick and Place Robot (**Dean's Award Winner**).

• CGPA: 3.97 on a scale of 4.00.

RESEARCH EXPERIENCE

Pascal Institute – EnCoV Research Group (Master Thesis)

01/02/2020 - 24/07/2020

• Thesis:

[Survival Time Prediction of Metastatic Melanoma Patients by Computed Tomography using Convolutional Neural Networks](#)

University of Girona - UdG (M.Sc. 3rd Semester)

• Projects:

20/09/2019 - 08/01/2020

1. [To design, analyse and implement approaches for brain tissue segmentation](#)

25/09/2019 - 05/01/2020

2. [Developing Computer Aided algorithm for the diagnosis in histopathological images to classify benign vs malignant using deep learning approach](#)

28/09/2019 - 05/01/2020

3. [Developing Computer Aided Algorithm for the diagnosis in Dermoscopic images to classify melanoma vs all other types using deep learning approach](#)

26/09/2019 - 03/01/2020

4. [Image registration of chest CT volumes: 4DCT DIR-Lab Challenge](#)

20/09/2019 - 02/01/2020

5. [Demonstration of Medical Robotics in Spine Surgery using Tx60 Staubli Robot](#)

• Lecture Activity:

05/09/2020 - 07/01/2020

[What about being a neuropsychologist?](#)

University of Cassino and Southern Lazio (M.Sc. 2nd Semester)

• Projects:

25/02/2019 - 06/06/2019

1. [Breast Mass Detection using Machine Learning Algorithm](#)

20/02/2019 - 08/06/2019

2. [CT Reconstruction using Parallelization Strategy](#)

02/03/2019 - 16/06/2019

3. [Vision Application \(VIZN\)](#)

18/02/2019 - 13/06/2019

4. [Designing an Inverse Kinematics Controller](#)

University of Burgundy (M.Sc. 1st Semester)

• Projects:

15/09/2018 - 05/01/2019

1. [Automatic MRI Cardiac Segmentation in Short Axis for Left Ventricular Endocardium](#)

21/09/2018 - 07/01/2019

2. [Interest Points Detection on 3D Meshes Using Harris Operator](#)

15/09/2018 - 10/01/2019

3. [Face Recognition using Principal Component Analysis](#)

19/09/2018 - 08/01/2019

4. [Automated Inspection at soft drink bottling plant](#)

American International University - Bangladesh (Undergraduate Final Year Project)

24/04/2017 - 02/12/2017

• Project: [Gesture Controlled Pick & Place Robot](#)

RESEARCH SKILLS

Programming Languages
Deep Learning Libraries
Software
Toolkit

• Python, MATLAB, C++

• TensorFlow, Keras

• Visual Studio C++, AutoCAD, Arduino IDE, Proteus, Multisim

• Elastix, ITK-Snap, MITK, DLTK, NiftyNet

HONOURS AND ACHIEVEMENTS

- Erasmus+ Joint Master's Degree (EMJMD) **scholarship** in *Medical Imaging and Application* program (funded by European Union), covers full tuition fees and a monthly allowance (Total 42,000 EUR).
- **Dean's Award** for undergraduate final year project for securing 7th Place out of 180 projects/theses for the academic year of 2017-2018 at AIUB.
- Full time **merit-based scholarship** from American International University-Bangladesh (AIUB) for exceptional performance throughout the academic years (Around 300,000 BDT).
- **Dean's List Honour** for continuing academic excellence in each semester.

CO-CURRICULAR ACTIVITIES

2016 - 2017	Vice Chairperson IEEE AIUB Student Branch Women in Engineering Affinity Group (WIE) ▪ Organizing different seminars and events specially for women empowerment.
04/12/2016 - 24/12/2016	Member of Event Coordination Committee IEEE Region-10 Student Professional Awareness Venture (SPAve) , supported by IEEE USA
02/10/2016 - 04/11/2016	Campus Ambassador IEEE Bangladesh Section SYW Congress 2016 ▪ Contacting organizational unit (section, student branch, affinity group etc.) chairs to inform them about IEEE Day. ▪ Communication with Ambassador on progression of planning events.
10/06/2016 - 22/07/2016	Volunteer AIUB Engineering Jubilation-2016 ▪ Responsible for organizing events which includes public relations with students, arranging different competitions for students based on engineering knowledge.

INVITED TALK

2019	Guest Speaker IEEE AIUB Student Branch ▪ Seminar on 'Road to Erasmus+ Scholarship', organized by IEEE AIUB Student Branch at American International University-Bangladesh.
